Appointment of Interim Administrator

Felicia introduced Shona Norman who has been with CATA since 2019. She was employed at GATRA for 20 years, moving up the ranks where the last role she held, prior to coming to CATA was Compliance Auditor in their Brokerage department. She took Joe Randazza's position as Brokerage Manager when she transitioned to CATA in 2019. When the brokerage closed, she came over to the Transit side of CATA to assist the Administrator with her duties. Felicia stated that Shona has done a fantastic job with Compliance and Transit oversight as the Assistant Administrator and would like the Board to approve her position as Interim Administrator while the Board works through the process of appointing a new Administrator for CATA as of September 1, 2022.

Moved By Mayor Verga to appoint Shona Norman as Interim Administrator as of September 1, 2022.
