**Cape Ann Transportation Authority
Invitation for Bid
Parking Lot Paving & Culvert Improvement Work
RFP 2025-1
Amendment #1
Issued February 13, 2025**

The following documents are included with this amendment

- a. Form A Bid Price Proposal (revised)

The Proposal Due Date has been changed to Thursday, March 6, 2025 at 11:00am.

Q1. When is the best time for a contractor to schedule the work? You have City Hall Annex on the second floor, CATA running buses out of the first floor, and the Wellness Center.

A1. The selected contractor should plan for weekend work for at least a portion of the project.

The City Hall Annex is open 8am-4pm Monday through Wednesday, 8am-6:30pm Thursday, and 8am-12:30pm Friday. The City Hall Annex is closed Saturdays and Sundays. Employees and the public must be able to access the City Hall Annex during its regular business hours.

CATA operates services 5:00am-8:00pm Monday through Friday and 5:00am-6:00pm Saturdays. CATA runs a reduced level of service on Saturdays and can find an alternate location to park buses and vans for Saturday service. There is no scheduled CATA service on Sundays until Memorial Day weekend.

The schedule for the Wellness Center and Treetop Yoga varies, however the schedules on weekends are typically lighter than weekdays.

Q2. Should the gravel lot be included in the bid price or do you want a separate line item for that piece of the project?

A2. Please include the gravel lot as a separate line item in the bid. A revised bid sheet is attached.

Q3. Are there drawings available for this project?

A3. Drawings are being prepared. CATA encourages all potential bidders to conduct a site visit prior to submitting a bid.

Q4. Please clarify what is included under the base bid in regards to culvert and conservation commission scope of work, what is written in the IFB is very vague and you could wind up with bidders not understanding what scope of work they own in the base bid. In order to provide accurate competitive bids more info is required. Such as size of pipe, how many feet are being remove/replace and what contractor has to do with conservation commission (how many feet of silt fence, what type of drawings need to be submitted etc).

A4. Drawings are being prepared. CATA encourages all potential bidders to conduct a site visit prior to submitting a bid.

REVISED AMENDMENT 1

Form A

Bid Price Proposal

PARKING LOT PAVING & CULVERT IMPROVEMENT WORK

The undersigned agrees to furnish and deliver the service, equipment, and materials as contained in the Invitation for Bid, Parking Lot Paving and Culvert Improvement Work, IFB 2025-01, dated January 10, 2025, and within the time specified and at the prices quoted, which includes transportation costs, customers, duty charges, and other associated charges.
