Updated Bag & Cart Policy

We want to make your ride as comfortable and convenient as possible. Here's what you need to know about bringing bags on the bus:

Up to Three Bags: You are welcome to bring up to three bags with you on the bus.

One Trip: You must be able to board and deboard the bus in one trip.

Size & Safety: Please ensure that your bags are manageable, under your control, and do not block the aisles or take up additional seating.

Thank you for your cooperation in helping us provide safe and accessible transportation for all!

CATA allows small personal carts on all buses and vans. To ensure a safe and comfortable ride for everyone, please follow these guidelines:

Keep aisles clear: Carts must be stored out of the aisle. If a cart cannot be fully removed from the aisle, please remove its contents and fold it up.

Maintain control of your items: Passengers must keep their carts and bags secure at all times.

Accessibility: If you need assistance boarding or exiting the bus with your cart, you are welcome to request use of the lift.

Safety first: Bulky items cannot be placed in the aisle, as they may interfere with the safe operation of the vehicle.
