Skip the Traffic & Parking Hassles. Ride the Ipswich Essex Explorer!

For nearly 20 years, the Ipswich Essex Explorer has been providing an environmentally friendly alternative to the car. During the course of the summer, the Explorer will reduce traffic congestion by keeping an estimated 1,500 cars from entering the area and reducing approximately 90,000 vehicle miles traveled. As a result, the Explorer will significantly reduce air pollutants like VOC, NOx, and CO, which would have been released into the environment by these cars.

IPSWICH/ESSEX OVERVIEW

HISTORIC HOMES OF IPSWICH

Ipswich has more First Period houses (Colonial, 1625–1725) that are owner-occupied than any other community in the United States. Also, along High St, there is a sampling of Second Period (Georgian, 1725–1790), Third Period (Federal, 1790–1830) and (Victorian, 1830–1900) homes that Ipswich actively protects. Audio tape or booklet walking-tours are available at the Ipswich Visitor Center on South Main St.
